

PREREGISTRATION INFORMATION - Should you sign up your student for KEYS?

REGISTRATION REQUIREMENTS: Please read the KEYS Student Covenant with your students before registering.

The **KEYS Student Covenant** identifies the expectations for working in community as we seek to fulfill our mission. It is impossible to create a community with expectations totally acceptable to every member. Nevertheless, certain responsibilities and expectations must be specified to assure orderly community life. When individuals join the KEYS community, they freely and willingly choose to take upon themselves the responsibilities and expectations outlined in this covenant. These expectations are not intended to measure spirituality or to promote legalism. Nevertheless, Galatians 5:13-14 reminds us that while we were called to be free, our freedom is best used when we serve one another in love. (Romans 14:1-23; 1 Corinthians 8:1-13, 10:23-33)

A foundational support for the Student Covenant is the **KEYS Statement of Faith**. The Statement of Faith affirms that the Bible is the inspired and authoritative word of God, and it provides the essential teachings and principles for personal and community conduct. The Statement of Faith also affirms the presence of the Holy Spirit in every believer; God, through the Holy Spirit, places in every believer the inner resources and attributes to minister to others through supportive relationships.

Parents must sign the **Family Contract** (See Forms and Documents) at the time of registration. Please be sure that you are able to commit to all items contained in this contract.

At the beginning of the academic year, all students will sign the Student Covenant. If you know now that your son or daughter is willing to walk in compliance to the terms of agreement set forth in that document, please register. If your son or daughter is not ready to make that commitment, please allow him/her the needed time to make that decision before adding him/her to the KEYS roster.
